

About Weber Scientific...

- ✓ **Weber Scientific is a laboratory supplier that you will actually enjoy doing business with.** More than ever we hear that the mega-sized suppliers aren't particularly focused on the specialized needs of food and dairy labs, and that their level of service is often indifferent.
- ✓ **Great Product Selection.** We're specialists in quality control supplies for food and dairy labs. You'll find hundreds of laboratory essentials plus many exclusive and hard-to-find items.
- ✓ **Legendary for great prices.** We offer some of the best prices in the industry without any of the dickering or hassles and without committing to any complicated or long-term contracts.
- ✓ **Free freight upgrades.** Receive expedited service nationwide at our expense – not yours.
- ✓ **100% Satisfaction Guarantee.** Count on it! We've worked hard for over 50 years to earn your trust.

Weber Scientific FREQUENT BUYERS PROGRAM • 2017

**Your Charitable Redemptions
Help End Hunger and Poverty**

800-328-8378 • weberscientific.com

How the Weber Scientific Frequent Buyers Program Works

You'll receive Electronic Frequent Buyers points – called Lab-bucks – with every purchase of \$50.00 or more from Weber Scientific. Collect enough points to get these terrific FREE gifts.

It's easy to redeem your Lab-bucks. Simply log in to your account at "frequentbuyers.weberscientific.com" to place your order. If you have any questions about our Frequent Buyers Program, please call 800-328-8378.

Every order over \$50 comes with Lab-bucks.

All orders of \$50.00 or more entitles you to receive Lab-bucks. Lab-bucks are earned based on the total value of the order and will be electronically added to your account. For every \$50.00 in purchases, you will receive 10 Lab-bucks.

For Example:

Spend \$50.00 - \$99.99, get **10 Lab-Bucks**

Spend \$100.00 - \$149.99, get **20 Lab-Bucks**

Spend \$150.00 - \$199.99, get **30 Lab-Bucks**

And so on.

*Minimum order is \$10.00, eligibility in program begins with orders of \$50.00 or more.

It's easy to redeem your points.

Simply log in to your account at "frequentbuyers.weberscientific.com" to place your order. If you have any questions about our Frequent Buyers Program, please call 800-328-8378.

Allow two to eight weeks for receipt of your free gift(s). In the event of a model change or discontinued product, you will be offered the choice of a new model or another selection having the same point value. Offer good only in U.S.A. We reserve the right to cancel this promotion at any time without prior notice. Invalid where prohibited by law or institutional policy.

Here's how it works:

1. Register:

- Go to www.weberscientific.com.
- Click on the "frequentbuyers.weberscientific.com" link located at the bottom of the home page.
- Click on the "Continue to Login/Registration page" button.
- Create your login information (email address and password of your choice). Please note that this program is designed for one user per company location.
- Under the "Registration" section, you must include your Weber Scientific customer number and ship-to number as this is how your Lab-bucks are calculated from your account. Please contact our customer service department at the number below if you need this information.

2. Once you've logged in:

- Your available Lab-buck points will be shown in the upper right corner. As purchases are made and items redeemed, your available points will adjust accordingly.
- Add your items to the shopping cart and check out.
- You can choose whatever ship-to address you want, whether business or residential, however, residential addresses will not be saved in this system. Your order will then be processed for shipment within 2 to 8 weeks or sooner, if your selection(s) are available.

Weber Scientific is delighted to report that over \$33,000 in charitable redemptions by their customers was reached in September 2016.

Give the Gift of Clean Water

The P&G Children's Safe Drinking Water Program has distributed more than 1 billion water purification packets, providing over 10 billion liters of clean drinking water in more than 75 countries.

We are proud to continue offering the gift of clean water as a charitable option. Over 1,000 children die every day from diseases caused by drinking unsafe water. Procter & Gamble (P&G), in collaboration with the U.S. CDC, developed the "P&G Purifier of Water" technology which meets the WHO standards for safe drinking water. Since 2004, the P&G Children's Safe Drinking Water Program has distributed more than 1 billion packets – enough to purify more than 10 billion liters of water.

The P&G Packet. A quick, simple and easily transportable way to clean dirty water.

The P&G packet is an amazing innovation that quickly turns 10 liters of dirty, potentially deadly water into clean and drinkable water. And, because it is much smaller and easier to ship than plastic water bottles, anyone anywhere in the world can easily use it. The P&G packet is based on technology similar to municipal water systems in developed countries. The P&G packet is a powdered mixture that removes pathogenic microorganisms and suspended matter, making previously contaminated water clean. P&G has committed to Save One Life Every Hour and has already distributed more than 1 billion water purification packets, providing over 10 billion liters of clean drinking water in more than 75 countries. Now you can be part of this significant goal!

To watch an incredible demonstration, visit <http://www.csdw.org>

Item #	Description	Points
17015	Provide one child with clean drinking water for a year	450
17020	Provide a family of four with clean drinking water for a year	1100

Give an Udderly Original Gift

Since 1944 Heifer has helped 25 million families in more than 125 countries. For detailed information, please visit their website at www.heifer.org.

Chicks: A Good Choice

A flock of chicks can help families from Cameroon to the Caribbean add nourishing, life-sustaining eggs to their inadequate diets. The protein in just one egg is a nutritious gift for a hungry child. A good hen can lay up to 200 eggs a year – plenty to eat, share or sell.

Heifers Equal Hope

A good dairy cow can produce four gallons of milk a day – enough for a family to drink and share with neighbors. Milk protein transforms sick, malnourished children into healthy boys and girls. The sale of surplus milk earns money for school fees, medicine, clothing and home improvements.

The Buzz About Bees

From Uganda to El Salvador, bees from Heifer International help struggling families earn income through the sale of honey, beeswax and pollen. As bees search for nectar, they pollinate plants. Placed strategically, beehives can as much as double some fruit and vegetable yields. In this way, a beehive can be a boost to a whole village.

Your gift will provide a family with a package of bees, the box and hive, plus training in beekeeping – and this unique gift will be passed on to another family in need.

Ducks Give by the Dozen

A flock of ducks provides a family with a starter flock of ducklings. For millions around the world, duck eggs form the cornerstone of a healthy diet. Duck gifts benefit the family because they:

- Yield eggs and protein for nourishment
- Boost income through sales of ducks, their eggs, feathers and down

NEW! Help End Hunger with a Milk Menagerie

The gift of a milk menagerie includes four milk-producing animals: two goats, a water buffalo and a quality-breed heifer. Gallon after gallon of precious milk will provide nourishment for hungry families. Extra milk can be sold, and the money allows families to afford health care and education for those who previously had no access to them. And as the families Pass on the Gift to others in need, this generous gift will provide a better life for generations to come.

NEW! The Gift of a Water Buffalo Can Change Lives

The carabao, a type of water buffalo, is the national animal of the Philippines. A water buffalo is often considered a farmer's most prized possession.

A farmer can plant four times more rice with a water buffalo than by hand, meaning a more bountiful harvest.

Charity

Flock of Geese Provides Nutrition and Security

Geese can lay up to 75 eggs a year, so the benefits add up quickly for families in need of protein and a means of income. Your gift of geese grants the opportunity to lift a community out of hunger and poverty.

Honeybees Sweeten a Family's Financial Future

Sometimes it's the smallest gifts that make the largest impact. Healthy beehives can double fruit and vegetable yields of small farms. Boosts income through sales of honey, wax and pollen. Let your honeybee donation turn a family's struggle into a lifetime of opportunity.

Rabbits Reward Families

Donate rabbits and provide a high-yield gift that will help families increase their income and improve their health. Because rabbits can have as many as six litters in a single year, they can pass on the Gift fairly quickly, enriching the lives of an entire community through your gift.

Sheep Bring "Shear" Joy

The wool sheep provide is a valuable resource, providing warm clothing for families and children living in harsh environments. Entire communities depend on sheep for their livelihood. Donating sheep gifts to a community:

- Boosts income through sales of extra wool
- Enable families to Pass on the Gift to others quickly

Pigs Prove Prosperity is Possible

Pig gift donations are an excellent fit for some of the poorest families Heifer serves. Your donation provides a family with much needed protein and nourishment. A pig produces as many as 16 piglets that can be sold for income.

A goat is the gift of sustainability

Goats nourish hungry children and families with healthy milk, cheese, and yogurt. Goats also give a much-needed income boost by providing offspring and extra dairy products for sale at the market.

A healthy dairy goat can give up to 16 cups of milk a day. Goats are practical animals — flourishing in harsh climates while producing valuable manure to fertilize crops and vegetable gardens.

NEW! A Llama Provides Income

Llamas provide wool, prized for making blankets, ponchos, carpet and rope. But they are also used as pack animals, and their wool can be sold for income. The milk llamas provide is lower in fat and salt and higher in calcium than cow or goat milk.

Dairy Animals Provide Cheeses of the World

The Cheeses of the World Gift Basket is made up of four milk-producing animals: a goat, a sheep, a water buffalo and a heifer. Families will also receive training on the animals' care. Each Cheeses of the World gift basket:

- Provides an abundance of milk to make cheese, butter and yogurt
- Increases wealth by providing dairy products that can be sold

Gadgets

Eton FRX2 Hand Turbine AM/FM Weather Radio with Smartphone Charger

Be prepared at home, and on the go with the FRX2. The compact multi-purpose FRX2 is a solar, DC, or hand turbine powered AM/FM/NOAA weather radio with a USB smart phone charger. Spin the hand turbine for 60 seconds to get 10-15 minutes of weather updates, news and entertainment. To charge your smart phone, simply plug it into the USB port. Power will automatically "dump charge" to your phone, just like plugging into the wall. The FRX2 is easy to find thanks to the glow-in-the-dark locator, so it's perfect for camping and surprise power outages. The bright and long-lasting LED flashlight is handy in any situation and there's also an input to charge via a wall socket or computer using the included mini-USB cord. Also includes user manual, warranty card, mini-USB cable, and wrist strap.

Gourmet Cheese

This award winning sheep's milk cheese is tucked away in the rolling country side between the Hudson River and the foothills of the Berkshire Mountains of NY. Their cheese is celebrated for the unique and distinctive flavor. American Humane Certified and managed organically to put out healthy and delicious sheep milk cheese since 1997.

Hudson Valley Camembert

Best of Class in 2014 World Championship Cheese Contest

2nd Place Winner, 2011 American Cheese Society

A creamy, soft-ripened cheese made from the milk of their herd of East Friesian ewes, combined with a neighboring farm's hormone-free cow's milk. A multiple-award winner, Nancy's Camembert is meltingly smooth and buttery with the texture of a triple-crème.

MouCo Cheese Company
A family-owned soft cheese producer located in Ft. Collins, Colorado.

Trifecta Gift Box

ColoRouge won 2nd Place and Camembert won 3rd Place at the 2009 American Cheese Society.

Ashley won 2nd Place in 2014 World Championship Cheese Contest

Combining European cheese making experience with American entrepreneurship, this husband and wife team started making their award-winning soft cheeses in 2000. MouCo Cheese is made from all natural products including milk from a local dairy. This gift box includes one of each of the following:

- Camembert - A traditional camembert with a soft and creamy texture. The cheese develops from creamy and tart to a more complex nutty flavor and aroma.
- ColoRouge - A unique red-smear cheese with a colorful surface. The flavor and aroma are spicy and rich. The texture is creamy, smooth and buttery.
- Ashley - A soft ripened cheese covered with a thin layer of ash. A striking appearance encircles this mildly sweet cheese.

NEW!

The Cheese Vault

Convenient effective way to store cheese

The Cheese Vault is a simple and reusable way to store your artisan cheese. Cheese experts agree that the worst possible way to store your cheese is the way we all do it – by wrapping it in plastic wrap. Cheese needs to “breathe” and eliminate excess moisture to maintain its flavor and delay molding just like in a cheese cave.

The Cheese Vault is made of food-grade silicone and features a bottom designed to wick away excess moisture and a top that means any moisture that does collect on the interior lid is directed away from the cheese.

It is ridiculously simple to use - just put the cheese inside, identify the name of the cheese and date stored on the outside, put the lid on top and store in the refrigerator.

Item #	Description	Points
FBP1729	Cheese Vault	1000

Canus

We soothe, we soften and we do it naturally!

Goat's milk has a well documented history as an ancient moisturizing additive. It is rich in proteins, vitamins and minerals. These components found in goat's milk are quickly and easily absorbed, passing their beneficial properties to the body's largest organ – the skin. Original Fragrance for the whole family to enjoy.

Goat's Milk Lotion

All-natural, non-greasy and paraben-free lotions get right to work, softening dry spots and restoring your skin's natural suppleness. Goat's milk contains capric and caprylic acids which reduce the alkalinity found in many skin care products. Canus combine a pure vegetable soap base with fresh goat's milk and natural essential oils to make up their signature original formula. You will enjoy the soft, clean feeling and all the nourishing benefits of fresh goat's milk. The goats suggest keeping a bottle on your dresser, next to the kitchen sink, even in the extra cup holder in your car.

Vegetable Candy

Eat your vegetables (candy)

The next time some nutrition-loving Goody Two-Shoes tries to tell you to eat your vegetables, you can pull out your tin of Vegetable Candy. These striped hard candies come in three flavors that sound good for you, but aren't: green bean, carrot and corn. Comes in a beautifully illustrated tin with 2.5 oz. of candy. Individually wrapped.

Pint of Pure Vermont Maple Syrup

Medium Amber

The Sugarbush Farm family is famous for its Pure Vermont Maple Syrup made right on their hillside farm.

In early spring, sap is collected from over 6000 trees with the help of Belgian draft horses. The sap is boiled down in the family sugarhouse over a wood fire.

This 16 oz jug is the perfect size for a large family breakfast. Heat the syrup in the microwave for 15 seconds to keep the pancakes hot. The attractive plastic jug will keep syrup fresh in the fridge for up to 2 years.

LAB-CHOCOLATE

"Chemically speaking, chocolate really is the world's perfect food."

- Michael Levine, Author

Chocolate has just the right chemistry

According to a study by the University of Michigan, chocolate contains chemicals called opioids. Opioids are also found in opium that can dull pain and give you a feeling of well-being. Therefore, people who eat chocolate produce natural opiates in their brains that can soothe their nerves and make them feel good. So feel good, indulge in our Lab-Chocolate it is 1.55 oz. of Hershey's milk chocolate. Go ahead it's good for you!
